Dear General Schriever:

Thank you very much for your letter of 27 August inviting me to attend the Air Force Science and Engineering Symposium at the Brooks Air Force Base on 9 to 11 October.

I have been studying my schedule of commitments to see if I might be able to join you. Unfortunately, I find that there does not seem to be any possibility of my getting out to San Antonio during that period. However, your thoughtfulness in asking me to be with you is indeed appreciated, and I want to take this opportunity to wish you every success in your symposium.

Sincerely,
